- EXCLUDED:** Head bus driver; community education employees; secretaries to superintendent, human resources, administrative services, and informational services; supervisors; nutrition service managers; Valley foreman and assistant; maintenance and operations secretary; nutrition services financial secretary; nutrition services purchasing secretary; district payroll clerks and accounting clerks in the district accounting office; all employees excluded by Section 4 of the Act; and all respective substitutes for the excluded positions.
- B. The term "employee," as used in this Agreement, shall not include substitutes, and they are not covered by its provisions, except under Articles I, III, IV, VI, XII D, E, XIV, XXI and Appendix B.

**ARTICLE II
DUES DEDUCTION**

- A. Any regular full-time or part-time employee who is a member of the Association, or who has applied for membership, may sign and deliver to the district an assignment authorizing payroll deductions of association dues. The form of the assignment shall be as set forth in Appendix A appended to this Agreement.
- B. In the event there is a change in continuing membership dues, written notification of the annual sum to be deducted will be given by the President of the Association or his/her designee to the Secretary of the Board on or before the 25th of September. New association members will be permitted to join the association and have dues deducted from their pay at any time during that fiscal year.
- C. Pursuant to the receipt of a deduction authorization, the district will deduct from each member's paycheck an equal amount, the sum of which by the last paycheck in May, will be the yearly total of that member's dues.
- D. Such authorization will continue in effect from year to year unless revoked in writing by a thirty (30) day notice to the Board of Education and to the Association.
- E. The district will transmit to the Association the total monthly deduction for dues within ten (10) working days following each regular pay period, and a listing of the employees for whom the deduction was made.
- F. In the event that a member has no paycheck, the Association will be responsible for the collection of dues for the missed pay period.
- G. The district will have no responsibility to collect dues that may be owed when an employee leaves the district prior to the full payment of his/her annual dues.
- H. The Association agrees to indemnify and hold the district and its agents harmless against any and all claims, suits, orders, costs and judgments brought or issued against the district and its agents as a result of the application of the provisions of this Article.

**ARTICLE III
GRIEVANCE PROCEDURE**

A. Purpose

The purpose of this article is to provide for a mutually acceptable method for the prompt and equitable settlement of employee grievances and disputes over alleged violations of this Agreement. There will be an attempt to resolve informally, or at the earliest possible stage, all grievances. Informal settlements in any stage will bind the immediate parties to the settlement but will not serve as a precedent in any other grievance proceeding.

B. A "grievance" is a claim by an employee that there has been a misinterpretation, violation or misapplication of any provision of this Agreement.

C. All time limits herein will consist of school days, Monday through Friday. The number of days indicated at each level should be considered a maximum and every effort should be made to expedite the process. There shall be no obligation by the employer to consider any grievance not filed or appealed in a timely manner.

D. An aggrieved person may be represented at all stages of the grievance procedure by him/herself, or at his/her option, by a representative selected or approved by the WDMESP. When the employee is not represented by the WDMESP, the WDMESP shall have the right to be present at all levels as a party of interest and will have the right to grieve any adjustment of the employee's complaint.

1. Every employee covered by this Agreement will have the right to present grievances in accordance with these procedures.

2. The failure of the employee (or, in the event of an appeal to arbitration, the WDMESP) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and the employer's representative's failure to give a decision within the time limits will permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

E. Grievance Levels

1. Level One

An employee with an alleged grievance shall, within fifteen (15) working days from the date of the alleged violation, discuss it with his/her principal or immediate supervisor in an attempt to resolve the matter informally.

2. Level Two

If, as a result of the informal discussion in Level One, the employee feels a grievance still exists and the employee desires to proceed to Level Two, the employee shall in writing within ten (10) working days from the date of the informal conference in Level One file a written grievance with the principal or his/her immediate supervisor on the form attached hereto. The principal or the employee's immediate supervisor will within five (5) working days following the receipt of the written grievance meet with the employee to discuss the grievance. Within five (5) working days following this meeting, the principal or the immediate supervisor will communicate in writing to the employee the disposition of the grievance with a copy to the WDMESP.

3. Level Three

In the event the employee is not satisfied with the decision at Level Two and the employee desires to proceed to Level Three of the grievance procedure, the employee will file within five (5) working days of the employee's receipt of the written decision from Level Two a copy of the written grievance with the Superintendent or his/her designee. Within ten (10) working days after such

written grievance is filed, the employee and the Superintendent or his/her designee will meet to discuss the grievance. Within five (5) working days of the meeting the Superintendent or his/her designee will indicate the disposition of the grievance in writing and furnish a copy thereof to the WDMESP and to the Board of Education.

4. Level Four

If the grievance is not resolved satisfactorily at Level Three, the employee and the Association may within thirty (30) working days request arbitration, with written notification to the Director of Human Resources/Designee. The parties will try to agree on an arbitrator within ten (10) working days after receipt of the written notice. If the parties cannot mutually agree on an arbitrator, then within five (5) working days from the said meeting held to attempt to agree, either party may request the Public Employee Relations Board to recommend a list of five (5) arbitrators from which each party will strike two (2) names. The remaining listed person will serve as the arbitrator.

No grievance may be appealed to arbitration without the approval of the WDMESP.

The arbitrator, in his/her opinion, shall not amend, modify, add to or detract from the provisions of the Agreement. His/her decision must be based solely and only upon his/her interpretation of the meaning of the Agreement. He/she shall be asked to issue the decision within thirty (30) working days after conclusion of testimony and argument. The decision of the arbitrator will be final and binding on the parties.

5. Year End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm to the grievant, the party in interest or the school district, the time limits set forth herein will be reduced by mutual agreement so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) working days thereafter.

6. General Provisions

- a. Group Grievance – If a grievance affects a group or class of employees because of the existence of the same facts and issues, the WDMESP may submit such grievance in writing to the Superintendent or his/her designee directly and the processing of such grievance will be commenced at Level Three. The WDMESP may process such a grievance through all steps of the grievance procedure.
- b. Meetings and Hearings – All meetings and hearings under this procedure will be conducted in private and will include only witnesses, the parties of interest, and their designated or selected representatives.
- c. Grievance Forms – Grievance forms will be as set forth in Appendix B. Copies will be available in the office of any building principal, the Office of Human Resources or from the WDMESP representatives.
- d. Arbitration Costs – The costs of the service of the arbitrator will be borne equally by the employer and the WDMESP.

**ARTICLE IV
EMPLOYEE EVALUATION**

A. Definition

An evaluation will consist of a written report by the immediate supervisor who has observed the employee's performance.

B. Notification

1. The immediate supervisor will notify each employee under his/her supervision of the evaluation procedures and instruments and will advise the employee who will observe and evaluate his/her performance.
2. An appropriate supervisor will be designated to be responsible for notification and evaluation of an unassigned employee or an employee with assignments in more than one building or attendance center.
3. Any new employee or reassigned employee will be notified by the appropriate supervisor of the evaluation procedures in effect within the employee's first twenty (20) working days of the contract year and/or reassignment.
4. These evaluation procedures do not negate the immediate supervisor from implementing evaluation procedures at any time during the year when circumstances warrant such action.
5. Any written objections by the employee shall be made at the time of the evaluation conference or within ten (10) working days from the date the employee receives the written evaluation.

C. Required Evaluations

1. During the first three (3) years of an employee's employment with the district, an evaluation of the employee is required every year. After the employee has been employed for three (3) years, the employee will be put on an evaluation cycle and evaluated every two (2) years. Evaluations will be completed by May 1.
2. Any employee may request and receive a full evaluation and conference completed prior to June 30.

D. Formal Evaluation Procedures

1. The employee will receive a copy of the evaluation form to be used during the current year upon his/her request.
2. The written evaluation report will include a rating of various categories of job performance. If any employee's performance is rated unsatisfactory, or is rated lower than the previous evaluation in any category, an explanation to substantiate the rating and a recommendation for improvement must be discussed with the employee.
3. Within fifteen (15) working days of the completion of the evaluation, a conference will be held between the employee and the evaluating supervisor to discuss the final written report to be submitted to the Office of Human Resources. The supervisor will sign the final evaluation instrument to be submitted to the Office of Human Resources and a copy of the report given to the employee.

The employee's signature indicates that the evaluatee has read the completed instrument and discussed its content with the supervisor, but does not necessarily mean agreement with the evaluation.

- E. An employee's written objections to his/her evaluation will be placed in the employee's personnel file attached to the file copy of the evaluation.
- F. If an employee's evaluation results in the employee being disciplined or discharged or suffering a loss of pay, such evaluation is subject to the procedures of Article III.

ARTICLE V SENIORITY

A. Definition

Seniority means a regular full-time/part-time employee's length of service since his/her day of hire. Day of hire shall mean the employee's first working day.

B. Procedures

1. Posting – In October and again in March, the employer will post on appropriate bulletin boards a seniority list showing job classifications and continuous service of each employee. A copy of the seniority list will be sent to the WDMESP when it is posted.
2. Breaks in Service – An employee's seniority record will be broken by voluntary resignation, discharge, retirement or reduction in force.
 - a. Should a laid-off employee return to work within eighteen (18) months, the seniority will continue as if no layoff occurred.
 - b. Seniority rights will be forfeited if the continuous period of lay-off exceeds eighteen (18) months.
 - c. Should a regular full-time or part-time employee leave the job classification represented by the WDMESP, the employee's seniority will be frozen. Should he/she return to the previous job classification, his/her seniority will continue from the seniority level previously attained.
3. An employee who is absent from work for three (3) consecutive days without notification for valid reason to an appropriate supervisor will be considered having resigned. In the event an appropriate supervisor cannot be reached, the employee may notify the Director of Human Resources/Designee or designee.
4. Seniority will be the primary criterion for the reduction of staff in conditions specified in Article VII, Staff Reduction Procedures.
5. Seniority will be the primary criterion for reassignment of non-classified personnel. When more than one employee desires a change of assignment to the same position, seniority will be the criterion for the selection if the contenders for the position are qualified to fill the position.
6. Seniority will operate within job classifications and not buildings.

7. Seniority will operate within the job classifications listed below:

- | | |
|--------------------------|--|
| a. Teaching Assistant | h. Bus Assistant |
| b. Custodian | i. Health Assistant |
| c. Maintenance | j. Warehouse |

**ARTICLE VI
PROBATION**

- A. A new employee will serve a probationary period of ninety (90) working days. Upon completion of the probationary period, he/she will be put on the seniority list and his/her seniority will be determined from his/her day of hire. Day of hire shall mean the employee's first working day.
- B. During the probationary period, an employee may be terminated at the discretion of the district and the district may otherwise discipline, lay-off, or suspend such probationary employee for any reason and such action shall not be subject to review of the grievance procedure.
- C. A probationary employee shall not have any seniority rights. However, the probationary employee will be compensated for accrued leave(s) (XII) and scheduled holiday(s) (XVII-A) and will be able to receive insurance (XIX).

**ARTICLE VII
STAFF REDUCTION PROCEDURES**

- A. Definitions
 - 1. A reduction in staff is the laying off of employees who may be recalled in the future. The reduction in staff may be due to the elimination of a position.
 - 2. A recall is the resumption by an employee of employment by the district in his/her previous position or in a new comparable position.
- B. Procedures

If employees must be laid off or reduced, the employer will determine which employees are to be retained according to the following procedure:

- 1. When the working force is to be reduced, the employee with the least seniority in the job classification affected will be the first to be laid off unless there are specific skills needed for the position. The employee whose position has been eliminated or who has been selected for layoff or reduction can then replace an employee with less seniority in any job classification in which the employee is qualified. This placement will be restricted to equal or lesser wage classification as outlined in Article XXI, Wage Schedule.
- 2. When specific job classification vacancies occur within eighteen (18) months of the layoff, employees meeting the job classification requirements will be recalled in the inverse order of layoff. Upon being notified of recall, the employee shall have five (5) working days to notify the district of his/her intent

to return. Following this five (5) working day period, the employee shall report to work on or before the eleventh (11) working day. If, without good reason, an employee fails to return to work on or before eleven (11) working days after being notified of recall, he/she will lose his/her seniority and status as an employee. Notification of recall will be sent to the employee by certified letter and the five (5) working days will start upon the delivery date of said letter. It is the responsibility of the employee to keep the district apprised of contact information.

3. The district will provide written notice to the Association and to each employee who will be affected by the reduction no later than twenty (20) calendar days prior to the effective date of layoff, except one-on-one assistants who will be employed on an as needed basis. These notices will include specific written reasons for the reduction of staff.
4. At the time of notification of layoff to any employee, the district will also notify the employee of the conversion provision to extend insurance beyond termination of employment.

ARTICLE VIII VOLUNTARY TRANSFER PROCEDURE

A. Definition

A voluntary transfer shall be defined as the assignment of an employee to a different job classification, grade level, building, run or route which has been initiated by the employee.

B. Procedure

1. When vacancies are to be filled, notice of such vacancies will be posted as soon as possible, in all buildings, at the Learning Resource Center, online, and a copy will be sent to the President of the Association. During the subsequent seven (7) calendar days, employees may apply for those vacancies by completing an online application.
2. The district shall be the judge of applicants' qualifications for the position and will consider the following criteria including but not limited to: physical and educational requirements of the position and the applicants' work, education, attendance and experience. When two or more applicants are equally qualified, the employee applicant with the greatest seniority will be given priority.
3. If two or more employees are deemed by the employer to be equally qualified for a given position, then the most senior employee will be transferred.

This article does not preclude the employer from advertising, accepting applications, and interviewing individuals from outside the bargaining unit. An individual may be hired from outside the unit only if the applicant's qualifications are deemed by the employer to be higher than those of the employee requesting a transfer.

ARTICLE IX INVOLUNTARY TRANSFER PROCEDURE

A. Definition

An involuntary transfer shall be defined as the assignment of an employee to a different job classification, grade level, building, run, or route which is not initiated by the employee nor voluntarily agreed upon by the employee. This language does not apply to temporarily assigned employees.

B. Procedures

1. No position will be filled by means of an involuntary transfer if there is a qualified volunteer within the system available to fill said position. An employee being involuntarily transferred shall have priority for any vacancy for which he/she is qualified. Should more than one involuntarily transferred employee request a transfer to a vacant position, the most senior employee shall have priority.
2. An involuntary transfer will be made only after a meeting between the employee involved, the WDMESP representative and appropriate administrative representatives, at which time the employee will be given reason(s) for the transfer. Said reasons will be put in writing if requested by the employee.
3. In the event that the employee objects to the transfer on the basis of the reason(s) provided at this meeting, the employee may appeal the involuntary transfer through the Grievance Procedure.
4. All employees being considered for involuntary transfer may request open positions, in order of preference, to which they desire to be transferred. The district will give consideration to these requests, when possible. A list of vacancies shall be given to all employees being involuntarily transferred or reassigned at the time of this movement.
5. Employees will be notified of involuntary transfers as soon as possible.
6. The district will utilize voluntary transfers to avoid involuntary transfers when such transfers will result in positions being filled by qualified employees.

**ARTICLE X
CHANGE OF JOB CLASSIFICATION**

- A. If an employee is being frequently utilized in a manner significantly different from his/her regularly assigned duties, that situation shall be subject to the grievance procedure.
- B. When an employee is assigned out of his/her job classification for more than five (5) continuous days, he/she will be paid retroactively for those days at a higher rate of pay.
- C. All vacancies and positions filled with temporary assignments will be posted as vacancies, and applications received to fill them, unless the vacancy is due to vacation or leave of absence.
- D. Employees may be promoted to a classification for training on a tryout basis. The employee will be informed of his/her status at the start of such an assignment. Employees will not receive a pay adjustment during the training period, which may not exceed fifteen (15) working days.

**ARTICLE XI
IN-SERVICE TRAINING**

- A. In-service training is defined as training provided by the district to various employees during the service year.
- B. No employee will be required to attend any in-service or workshop at less than his/her regular rate of pay.

ARTICLE XII
LEAVES

A. Personal Illness

1. All employees will have fifteen (15) sick days. Part-time employees will accumulate the number of hours they are regularly scheduled to work. For example, those employees who work a three (3) hour daily schedule would receive a total of forty-five (45) hours of sick leave eligibility; however, they would be restricted to taking their sick leave hours in increments no greater than their daily scheduled hours.

All employees hired after the beginning of the year will have the days prorated for the balance of the year.

2. Sick leave may be accumulative to the following maximum providing the days have been accumulated through consecutive years of service:
 - a. 11-12 month employees may accumulate a maximum of one hundred thirty-five (135) days.
 - b. 9-10 month employees may accumulate a maximum of one hundred twenty-five (125) days.
3. No employee is entitled to more sick days than the employee has earned.
4. Sick leave may be used for personal illness or injury which prevents an employee from performing his/her regular duties. After three or more consecutive days of sick leave, the district may require a statement from the employee's treating physician certifying that the employee was unable to work during the period of sick leave and the date expected for the employee to return to active employment. Questions which may arise as to what constitutes valid sick leave shall be directed first to the employee's immediate supervisor and then to the Director of Human Resources/Designee or designee.
5. Regular part-time employees who are transferred to a full-time position will have their accumulated sick leave balance equated to hourly equivalency of the new position.
6. Employees who are advised of a health condition which may require absence for more than five (5) working days (e.g., scheduled corrective surgery, pregnancy, required therapy), shall inform their immediate supervisor as soon as practical so that arrangements may be made for effective transition of responsibilities to a qualified substitute. A statement from the physician giving approval for the employee to continue to work and recommending the date on which the employee should go on leave may be required. Upon returning to work, the employee must present medical evidence that he/she is physically capable of returning to work.

B. Absence Without Pay

1. Requests for personal leave of two (2) consecutive days or less may be granted by the appropriate supervisor provided an appropriate replacement can be found.
2. Requests for personal leave of three (3) consecutive days or more may be granted with concurrence by the appropriate supervisor, appropriate director, and Director of Human Resources/Designee, provided a suitable replacement can be found.
3. All paid leaves must be exhausted before the employee is allowed to use absence without pay.

C. Bereavement and Serious Illness

1. In the event of death of the regular full-time or part-time employee's spouse, child, daughter/son-in-law, father, mother, sister, brother, grandchild, grandfather, grandmother, or comparable relatives of spouse, the employee will be granted permission to be absent from duty by his/her supervisor for as many days, not to exceed five (5) days per incident, as may be necessary in his/her opinion, for attendance at the funeral and for any other purpose directly arising out of said death.
2. In the event of an emergency or serious illness of member of the regular full-time or part-time employee's family as listed in C-1 above, the employee will be granted permission to be absent from duty by his/her supervisor for as many days, not to exceed five (5) days per year, as may be necessary in his/her opinion. Two of the five days may be used to care for an ill dependent child who is presently under the care of a physician.
3. No deduction of pay will be made for days so granted.
4. Qualified substitutes will be granted non-paid leave without loss of his/her status as a substitute. The stipulations contained in C-1 and C-2 shall apply.

D. Funerals for Non-Immediate Family

1. An employee will be allowed one (1) day per year with full pay to attend the funeral of other relatives or close friends upon notification to the supervisor prior to the day of the requested leave. For local funerals, such leave will generally constitute only the time necessary to attend the funeral services. This leave may be taken in one (1) hour increments.
2. Qualified substitutes will be granted this leave without pay and without loss of status as a substitute.

E. Association Leave

There will be available not more than a total of twelve (12) paid days per year for representatives of the WDMESP to attend the business of the Association, except to appear as a witness against the district. These days may not be taken in increments of less than one-half (½) days.

F. Jury and Legal Leave

1. Any employee who is called for jury duty during work hours, or who is required to appear in any judicial or administrative proceeding, pursuant to a subpoena, will be provided such paid time, except to appear as a witness against the district. An employee who is required to appear in any judicial or administrative proceeding without a subpoena will be provided time off without pay. When the employee is dismissed from the court duty prior to the end of the regularly scheduled workday, the employee shall contact his/her supervisor for work instructions.
2. Any remuneration paid by the court for jury duty, less travel allowance paid by the court, will be remitted to the district by the employee. If the remuneration, less travel allowance, paid by the court exceeds the employee's net wage (gross pay minus mandatory deductions) for actual duty time missed, only the employee's net wage for actual duty time missed will be remitted to the district.

G. Military Service

As defined by the Code of Iowa.

H. Grievance Arbitration Leave

When grievance arbitration must be scheduled on working hours, the Association will be allowed up to three (3) representatives and/or witnesses, including the grievant, to attend at no pay deduction.

I. Professional Leave

1. Attendance at professional workshops, conferences, institutes, and other such meetings related to assigned responsibilities which are conducted during duty time may be granted by the supervisor with full pay if:
 - a. the professional meeting is directed toward
 - (1) the improvement of the qualifications for performance of the employee in his/her assigned responsibilities.
 - (2) serving the interests of the district's needs.
 - b. such absence, along with other absences experienced by the employee, does not detract from the continuity of services provided by the employee.
2. Request for professional leave must be made at least five (5) working days in advance and will include anticipated expenses, if any. If approval is granted by the supervisor, the extent of the reimbursement will be determined based upon the extent of travel funds available and any such reimbursement(s) previously received by the employee. (The employee will be advised regarding the extent of reimbursement at the time the leave is approved.)

J. Emergency Leave

1. Up to two (2) days of emergency leave per year will be granted with pay to regular full-time employees [thirty (30) hours or more per week] who suffer the results of natural disasters such as floods, fires or tornadoes.
2. One (1) day of emergency leave per year will be granted with pay to regular part-time employees [less than thirty (30) hours] who suffer the results of natural disasters such as floods, fires or tornadoes.
3. Qualified substitutes will be granted this leave without pay and without loss of status as a substitute. The stipulations in J-1 and J-2 shall apply.

ARTICLE XIII HEALTH PROVISIONS
